Writing Task

Choose **ONE** of the following options (Option A **OR** Option B). Write **at least 500 words**.

Option A

Write a story based on one of the following pictures.

Option B

Some people believe that it may be possible to freeze human bodies just after death and bring them back to life in the future (a little like Frankenstein's monster). This is called 'cryonics'.

You are a person who was cryogenically frozen decades ago (the year is up to you) and has just woken up in the present day (2025).

You are the first person who has successfully undergone this procedure. Many people are interested in hearing your story. You are writing a memoir.

Write the beginning of your memoir, starting from the moment you were woken up.

Tick the box next to the option that you have chosen. Tick one box only.

☐ **Option A**

☐ **Option B**

Write your response on the lined paper provided.

Tips

1. Plan before you write.
2. Your writing should have a beginning, a middle and an end.
3. Use your imagination to make your story interesting for the reader.
4. Before the assessment ends, read your writing and fix any mistakes that you find. Make sure you have enough time to do this.
